

FREQUENTLY ASKED QUESTIONS

HORTONWORKS UNIVERSITY SELF-PACED LEARNING LIBRARY

Q: WHAT IS THE SELF-PACED LEARNING LIBRARY (SPLL)?

A: The Hortonworks University Self-Paced Learning Library (SPLL) is an on-demand, online, learning repository that is accessed using a Hortonworks University account. Learners can view lessons anywhere, at any time, and complete lessons at their own pace. Lessons can be stopped and started, as needed, and completion is tracked via the Hortonworks University Learning Management System.

Q: WHERE DO I ACCESS THE SPLL?

A: The SPLL can be accessed at spll.hortonworksuniversity.com

Q: HOW LONG IS A SUBSCRIPTION TO THE SPLL?

A: An SPLL subscription is valid for one year from your credit card purchase date.

Q: WHERE DO I GET AN ACCESS CODE FOR THE SPLL?

A: After you purchase your subscription to the SPLL, you will be granted an Access Code that you will need when you initially log into the SPLL. If you have purchased an SPLL subscription and have not yet received your Access Code, please contact training-support@hortonworks.com for additional assistance.

Q: CAN A SPLL SUBSCRIPTION/ACCOUNT BE SHARED?

A: A subscription to the SPLL cannot be shared. Each individual user who would like to access the SPLL content will need his/her own account and access code.

Q: WHAT FORMAT IS THE SPLL TRAINING CONTENT IN?

A: *The Hortonworks University Self-Paced Learning Library is comprised of slide-based lesson modules, interactive knowledge checks such as multiple choice questions and downloadable PDF lab guides. **The SPLL does not include any video/audio based materials.***

Q: CAN I DOWNLOAD CONTENT FROM THE SPLL?

A: *Lessons and Knowledge Checks/Quizzes can only be viewed in your browser, however, all Lab Guides can be downloaded as needed in PDF format or printed. In addition, some of the courses in the SPLL have an accompanying downloadable Virtual Machine which will allow you to perform hands-on lab exercises.*

Q: WHAT SPLL COURSES INCLUDE HANDS-ON LABS?

A: *Currently, the following SPLL courses have an accompanying downloadable Virtual Machine environments for completing hands-on lab activities:*

- *HDP Developer: HBase Essentials*
- *HDP Developer: Apache Pig and Hive*
- *HDP Developer: Java*
- *HDP Developer: Developing Custom YARN Applications*
- *HDP Developer: Storm and Trident*
- *HDP Developer: Enterprise Apache Spark 1*
- *HDP Operations: Hadoop Administration 1*

About Hortonworks

Hortonworks is a leading innovator at creating, distributing and supporting enterprise-ready open data platforms. Our mission is to manage the world's data. We have a single-minded focus on driving innovation in open source communities such as Apache Hadoop, NiFi, and Spark. Our open Connected Data Platforms power Modern Data Applications that deliver actionable intelligence from all data: data-in-motion and data-at-rest. Along with our 1600+ partners, we provide the expertise, training and services that allows our customers to unlock the transformational value of data across any line of business. We are Powering the Future of Data™.

Q: WHERE DO I DOWNLOAD VIRTUAL MACHINES FOR LABS?

A: If a course that you are viewing has an accompanying downloadable virtual machine, a setup guide will be provided as the first lesson in the course. This guide will contain instructions on how to setup your environment, and will provide a URL where you can download the virtual machine.

ABOUT HORTONWORKS UNIVERSITY

Hortonworks University is your expert source for Apache Hadoop training and certification. Public and private on-site courses are available for developers, administrators, data analysts and other IT professionals involved in implementing big data solutions. Classes combine presentation material with industry-leading hands-on labs that fully prepare students for real-world Hadoop deployments.

ABOUT HORTONWORKS

Hortonworks develops, distributes and supports the only 100% open source distribution of Apache Hadoop explicitly architected, built and tested for enterprise-grade deployments.
